Section 18 (1): "Any person responsible for paying any income chargeable under the head "Salaries" shall at the time of payment deduct income-tax *and Super-tax* at a rate representing the average rate applicable to the estimated income of the assessee under this head."

OFFICE OF THE DIRECTOR OF FOOD SUPPLIES IN MYSORE, BANGALORE.

Notification dated 21st August 1946.

No. D. 2. 5242—45-46. Applications are frequently being received in this office from merchants for grant of way permits to transport to places outside the Mysore State *via* Mysore State consignments of controlled commodities like gingelly seed, chillies and livestock like sheep and goats stated to have been imported into the State from the neighbouring territories under certificates issued by the officers of those Governments. The usual plea put forward by the merchants for such movements is that the route *via* Mysore State is the shortest. The issue of intransit permits in the past has unfortunately led to serious complaints regarding abuse of way permits. It is feared that in spite of safeguards that might be adopted to check the malpractice a great deal of indigenous produce and cattle may be clandestinely exported outside the State under cover of 'Way Permits'.

In order to eliminate all possibilities of misuse, it is considered desirable not to renew old Way Permits or to issue any new ones. It is therefore hereby notified for the information of the public that henceforth no old Way Permits will be renewed and no permits will be issued afresh except for cocoanut oil coming by rail from Travancore or Cochin to the Mysore State for onward despatch after repacking here. All other applications in this behalf will receive no consideration.
